APPENDIX II EXPLANATORY STATEMENT ON THE REPURCHASE MANDATES

This explanatory statement, as listed below, contains all reasonable information required under the Listing Rules for Shareholders to make an informed decision regarding the resolutions for the General Mandates.

REPURCHASE MANDATE

As at the Latest Practicable Date, the Company had 400,000,000 Shares in issue. Subject to the passing of the resolution granting the General Mandates and on the assumption that there is no change to the number of issued shares before the Annual General Meeting, the Company will, in accordance with the General Mandates, be allowed to repurchase a maximum of 40,000,000 Shares which represent 10% of the total number of shares of the Company in issue as at the date of the passing of the resolution.

REASONS AND FUNDING OF THE REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general mandate from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and Articles of Association of the Company and the Cayman Companies Law. The Cayman Companies Law provide that payment for a share repurchase may only be made out of profits or the proceeds of a new issue of Shares made for such purpose or, subject to the Cayman Companies Law, out of capital of the Company. The amount of premium payable on the repurchase of Shares in accordance with the Cayman Companies Law may only be paid out of either the profits or out of the share premium account of the Company. In addition, under the laws of the Cayman Islands, payment out of share capital by the Company for the repurchase of its own shares is unlawful unless immediately following the date on which the payment is proposed to be made, the Company shall be able to repay its debts as they fall due in the ordinary course of business.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase Shares in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors consider that if the general mandate to repurchase Shares is to be exercised in full at the current prevailing market value, it may have a material adverse impact on the working capital and the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2019, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the mandate to repurchase Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

APPENDIX II EXPLANATORY STATEMENT ON THE REPURCHASE MANDATES

GENERAL

To the best of their knowledge, having made all reasonable enquiries, none of the Directors or any of their close associates, as defined in the Listing Rules, currently intend to sell any Shares to the Company or its subsidiaries, if the General Mandates are exercised.

The Directors have undertaken to the Stock Exchange that, so far as the relevant requirements are applicable, they will exercise the General Mandates in accordance with the Listing Rules, the Articles of Association, the Cayman Companies Law and applicable laws of the Cayman Islands.

No core connected person, as defined in the Listing Rules, has notified the Company that he has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the General Mandates are exercised.

If as a result of a repurchase of Shares in accordance with the General Mandates, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the General Mandates.

As at the Latest Practicable Date, Brilliant Brother Limited held 286,439,934 Shares, representing approximately 71.16% of the total number of Shares in issue. Brilliant Brother Limited is owned as to 100% by Mr. Liu Jiang.

The Listing Rules prohibit a repurchase if the repurchase of Shares on the Stock Exchange would lead to less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares (whether on the Stock Exchange or otherwise) have been made by the Company in the six months preceding the Latest Practicable Date.
